

DID YOU KNOW.....?

For your monthly offering, you can make direct transfers from your bank checking, savings, lines of credit, etc., accounts direct to St. Mark's bank account? No checks to write, no cash to gather together, and no unfulfilled pledges. Sometimes we can't be at Mass (vacations, business trips, other travel), and our well-intentioned pledge and offering to the Church often gets forgotten in the hustle, bustle and shuffle of our busy lives (especially during the Summer months). Automatic transfer of your chosen offering amount can ensure that your intentions are carried out on time, every time – and the operations and programs of the church go smoothly on. It's easy to set up! Just sign the statement below, and mail it (or drop it off) to the church office and include a voided check so we insure your account is credited correctly. There is **NO** cost to you.

I would like to have my offering gift automatically drafted from my bank account. I have include a **voided check** to provide the necessary routing information. Please choose **one** or **both** (cross out the choice not used) of the following:

I understand that \$_____ will be debited from my account on the **1st business day of each month**, and will continue until I make a written request otherwise.

And/or,

I understand that \$_____ will be debited from my account on the **16th day of each month** (or first business day after the 16th) and will continue until I make a written request otherwise.
